4201/B EDNA WOOD CEREZO MT, 5300 CARRARA GREY BR

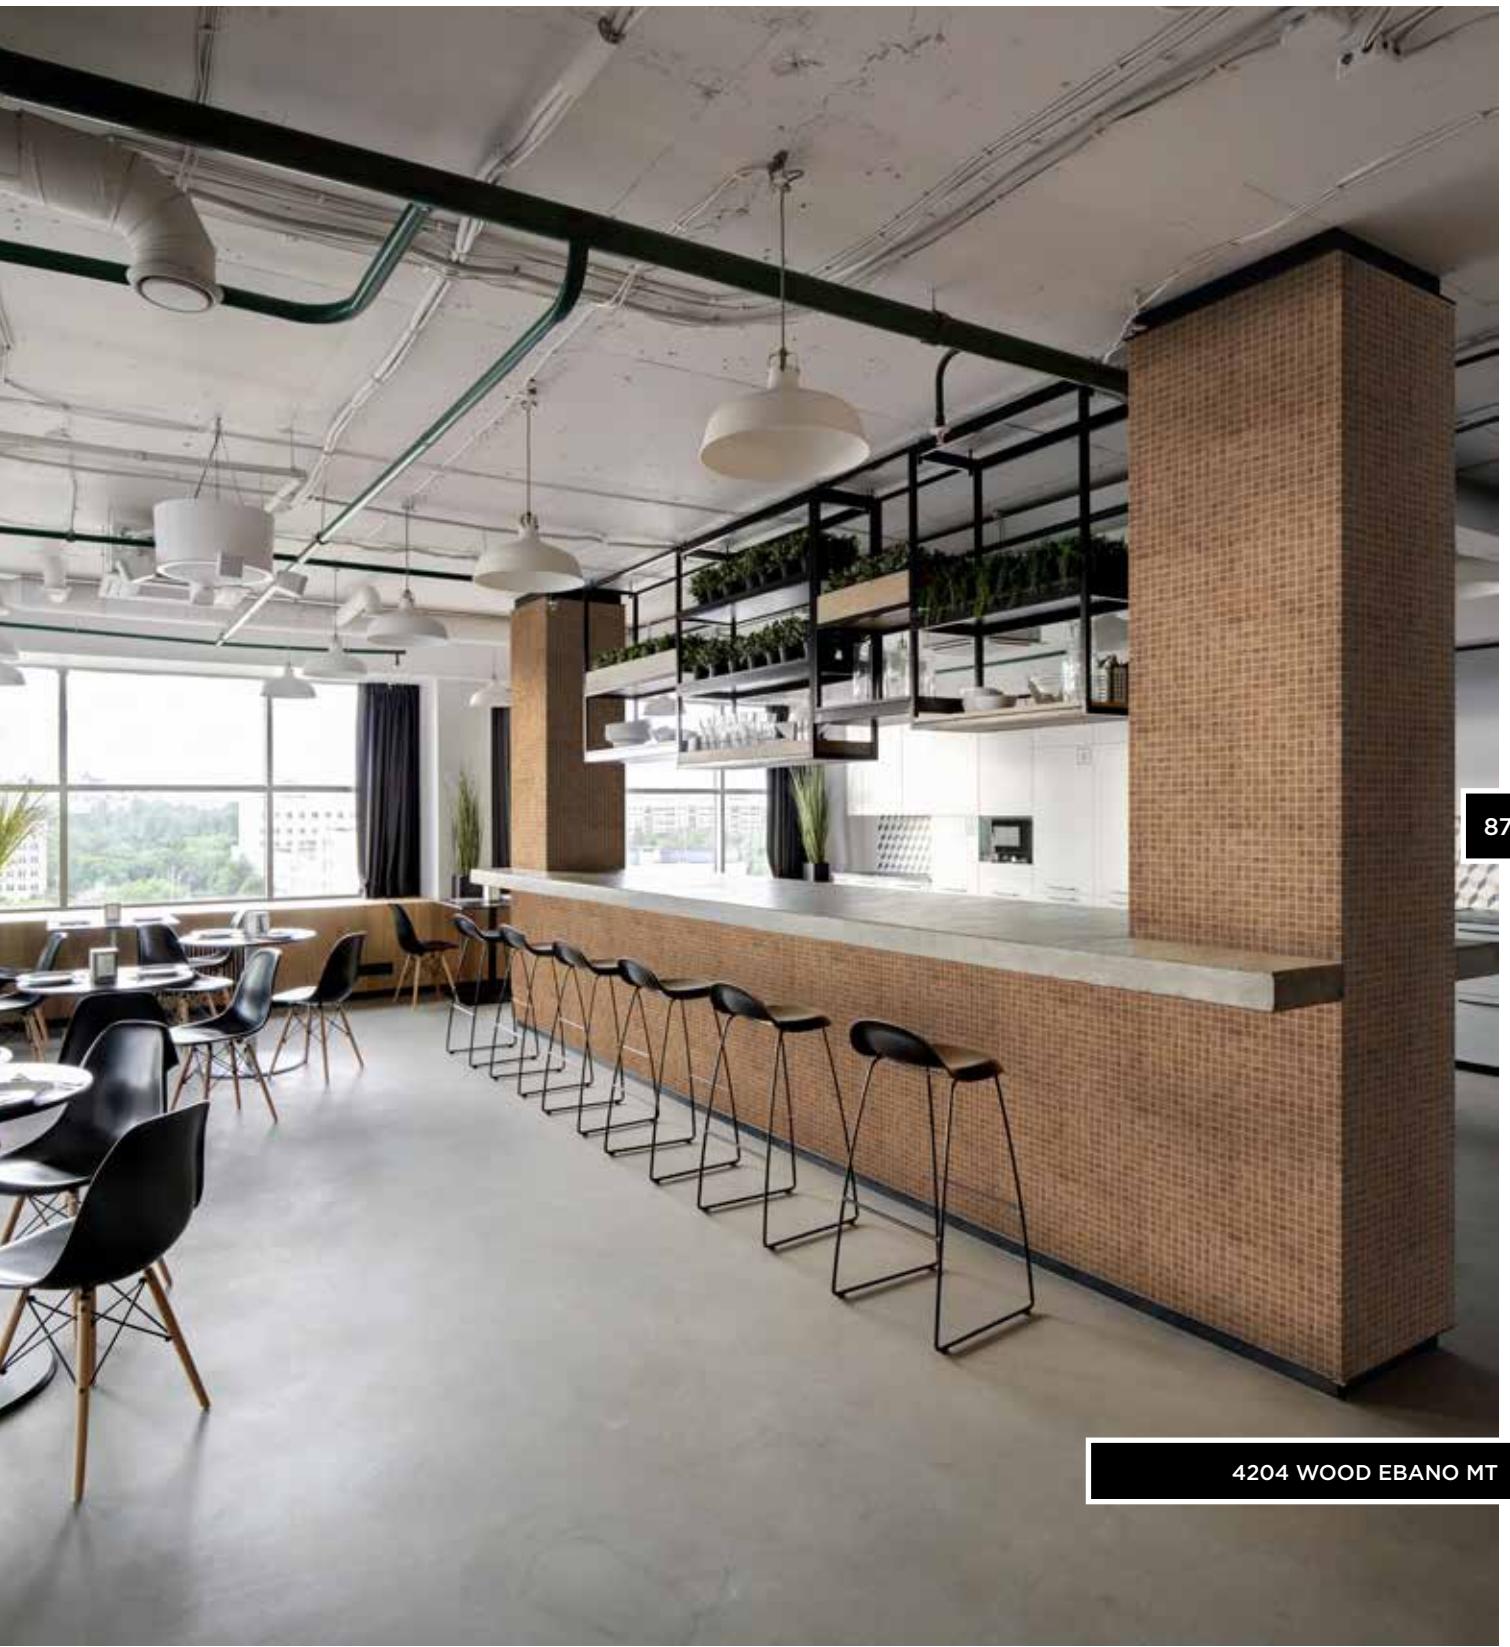

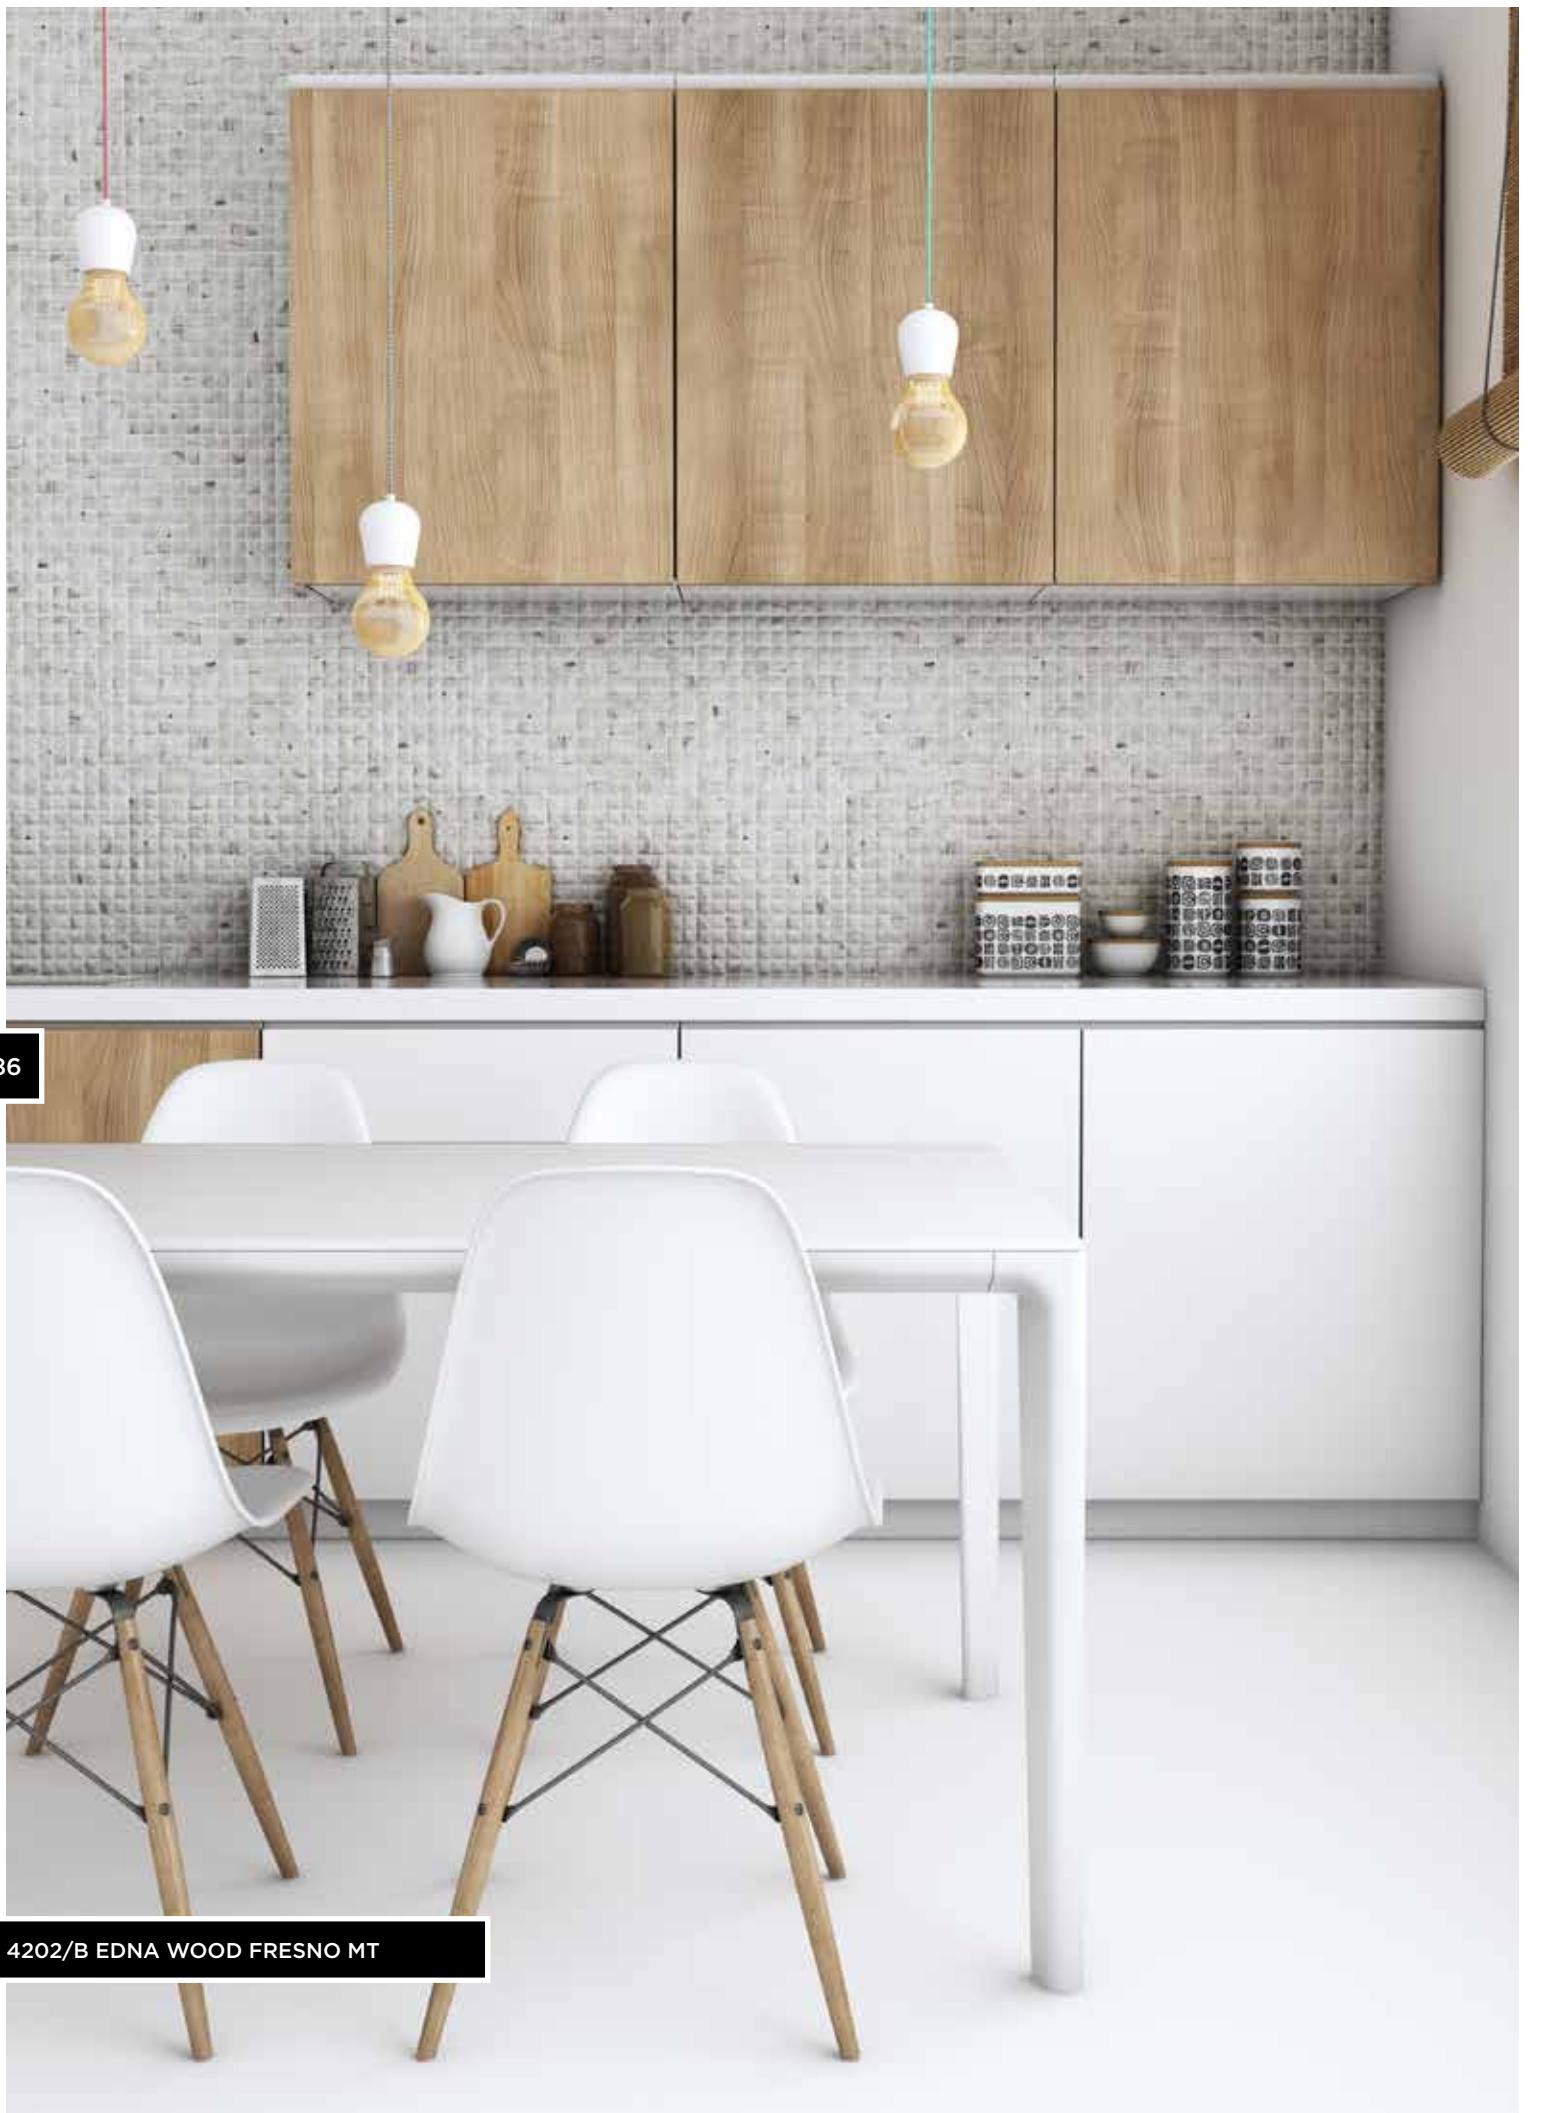

## WOODS COLLECTION

La naturaleza es inspiración para Vidrepur. La creación de estas maderas naturales y la posibilidad que brinda su variación en relieve o liso, hace de esta colección un imprescindible para el punto de venta. Tanto por si solas, o como decoración para revestimientos en baños y cocinas junto a otros materiales, estas maderas son fruto del diseño y tecnología de una firma preocupada por ofrecer las mejores soluciones.

Nature is an inspiration for Vidrepur. The creation of these natural woods and the possibilities offered by their embossed and smooth variations, make this an essential collection for the point of sale. Both on their own, or as decoration for coatings in bathrooms and kitchens with other materials, these woods are the result of design and technology by a firm insistent on providing the best solutions.

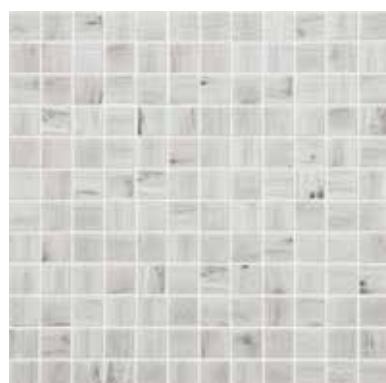

Vidrepur s'inspire de la nature. Cette collection à base de bois naturels déclinés en relief ou lisse, c'est un must-have du point de vente. À eux seuls ou comme décoration pour les revêtements de salles de bains et cuisines combinés à d'autres matériaux, ces bois sont le fruit du design et de la technologie d'une griffe souciee d'offrir les meilleures solutions.
